General Use	
-------------	--

This object displays one or two countries' flags and gives hand-held mini flags when touched by anyone.

Setun	Instructions	
Setub	เมอน นนเบบเอ	

- 1. Rez the object and move into desired position. Due to object style it will rez slightly above surface, so will need to be moved lower.
- 2. Touch and select your flag style from owner menu.
- 3. OPTIONAL. Turn floating text off or change colors by menu as well.

That's it!

All Scripts included are NO MOD

With Shadow: 8 prims Without Shadow: 7 prims

\*NOTE: Hand-Held mini flags are modify/copy/transfer until they are rezzed in world. Then they will become No transfer. This is to protect the animation and script from being used in other creations without permission from the creators. There is no limit to how many mini-flags that can be given using this set, but they cannot be modified inworld and then given/re-sold as new creations.
