## NEW PRODUCT: New Years Sounds Set

Category : **Announcements**
Published by Alicia Stella on Dec-05-2014

This package is great for your commercial New Years Eve products or events and parties in Second Life. Comes with Party Horn and Noisemaker sounds, Fireworks sounds, Champagne sounds, Crowds Celebrating, and more.

Includes 34 high-quality sounds, 3 of which can be looped. See full list below.

Also comes with a simple Loop Sound script, Play Sound on Touch script, Random Sounds script, and a Random Loop Sound script. The random scripts have settings for minimum and maximum timer between sounds. All scripts have volume setting and are full permission.

Sounds and Scripts in this set can be used in your commercial products. Please do not resell or give away sounds or scripts on their own.
