
[UPDATED: Multi Parcel Station Changer](#)

Category : [Announcements](#)

Published by Alicia Stella on Sep-09-2015

The Multi Parcel Station Changer has been updated. Some new features have been added as well as important bugfixes. See full list of changes below.

All users have been sent the new version inworld. If you did not receive the item please IM Alicia Stella.

To update, just replace the old ones with the new versions. You do not have to replace your old version if you do not want to.

---NEW FEATURES, CHANGES, & BUG FIXES---

â€¢ All objects are now Copyable!

â€¢ Group mode added, in addition to Access List, for staff use.

â€¢ Custom channel entry changed from private chat to textbox input.

â€¢ New preset stations added to Config notecard.

â€¢ Optimized for Mono.

â€¢ Other bug-fixes added.

Purchase the Multi Parcel Station Changer: [In-World](#)- [SL Marketplace](#)

The Multi Parcel Station Changer is a device that allows you to change all your Parcels' Music URLs from one place easily, and then change them back too! It's great for events, DJs, live entertainment and sim owners.
