The Alicia Stella Design Affiliates Program has been updated and all vendors need to be replaced with the new versions. (Old vendors no longer work due to HippoTech vendors no longer being supported.) Some major updates have been made to the system including more products added and overall less prims to display vendors. Check out just some of the improvements below.

â All users will now receive 50% Commissions on sales!

â New products have been added, bringing the total to 212 products

â Several new category vendors have been added

â There are now twice as many demos included!

All existing affiliates have been sent the new package. If you do not receive it you can IM Alicia Stella. If you're not yet a member you can pick up the Official Affiliates Package on the Marketplace [here](#) (The free simple vendor has been updated as well, available [here](#))
