## [UPDATED: My Social Network Board](#)

Category : [Announcements](#)

Published by Alicia Stella on Sep-05-2014

The My Social Network Board has been updated to version 2.0. Some of the social networks have been replaced, higher resolution textures added, and scripts removed to reduce lag.

All users have been sent the new version. IM Alicia Stella if you did not receive the update inworld.

To update, just replace the old ones with the new versions. You do not have to replace your old version if you do not want to.

### --- ALL CHANGES AND NEW FEATURES ---

â€¢ Google+, YouTube, and My Second Life/SL Marketplace added. (MySpace, Friendfeed, and StumbleUpon have been removed.)

â€¢ Option to show My Second Life -or- SL Marketplace on the board. Set this in settings note.

â€¢ Settings now use full URL for each site, instead of just username. See instructions note for more info.

â€¢ Higher resolution textures added.

â€¢ Script count reduced to lower lag.
