

[NEW PRODUCT: Halloween Sounds Set](#)

Category : [Announcements](#)

Published by Alicia Stella on Oct-08-2014

This package is perfect for your personal haunted house or your commercial Halloween products in Second Life. Comes with all the spooky sounds you'll need from wind, rain, and thunder to chainsaws, crows, and witches.

Includes 42 high-quality sounds, 6 of which are looped. See full list below. Also comes with 6 free bonus sounds from classic horror films.

Also comes with a simple Loop Sound script and a Random Sounds script. Random script has settings for minimum and maximum timer between sounds. Both scripts have volume setting and are full permission.

Sounds and Scripts in this set can be used in your commercial products. Please do not resell or give away sounds or scripts on their own.

Sounds and Scripts are all: Modify / Copy / Transfer
